## DESCRIPTION

The **SENCOR SSI 0430BL Vertical Garment Steamer** is built for fast, powerful, and convenient garment care, offering a professional steaming experience directly at home. Its strong **1950W performance** combined with an ultra-fast **38-second heat-up time** ensures your clothes are ready to wear in moments.

Delivering a high-efficiency **40 g/min steam flow**, it smooths wrinkles, refreshes fabrics, and removes odors effortlessly—perfect for delicate garments as well as thicker textiles.

The steamer features a **large 2.0L water tank**, enabling long, uninterrupted steaming sessions. Its mechanical **steam-flow adjustment knob** gives you exact control over steam intensity, protecting sensitive fabrics while providing enough power for heavy materials.

For maximum ease of use, the device includes sturdy dual poles with an **integrated ironing board**, along with an **adjustable vertical stand** to support garments securely while steaming. A **transparent light indicator** enhances safety and visibility during operation.

The package also includes a **heat-resistant glove** for safe handling and a **fabric brush attachment**, ideal for deeper penetration into thick fabrics like coats or upholstery.
